

The Dubuque Area Family STEM Festival

Invites Exhibitors!

When:

April 6
10 AM - 2 PM

Where:

Graber Center,
Loras College

Cox St.
Dubuque, IA 52001

WHO IS INVITED TO EXHIBIT?

- Business and Industry
- Institutions of higher education
- Community non-profit groups
- Organizations providing STEM education

The Dubuque Area Family STEM Festival is a community-wide partnership led by:

the Northeast Region of the Iowa Governor's STEM Advisory Council at the University of Northern Iowa, in partnership with Dubuque Area Labor-Management Council, Dubuque Community School District, Holy Family Catholic Schools, Dubuque Works, Northeast Iowa Community College, Iowa State University Extension, Clarke University, Loras College, University of Dubuque, IowaWORKS, Dubuque Metropolitan Area Solid Waste Agency, Keystone AEA and National Mississippi River Museum and Aquarium.

WHAT ARE WE LOOKING FOR?

There are endless possibilities of what the students and families could do at your booth;

- Fun and free hands-on activities
- Conduct an experiment
- Play a game
- Participate in an interactive demonstration
